Dear Mr. Baker:

As a fellow Tennessean, let me extend to you my hardest congratulations on your appointment as Chief of Staff for the President of the United States. I am quite sure the President has made an outstanding choice as well as showing great judgement in choosing a man with your background and understanding of the governmental process.

The President will need all your help, advise and experience to put his administration back on the right track of leading this nation to it's place as a world leader. I support the President and believe he must boldly begin again to show his leadership to the Congress and the country. I am sure you will be invaluable in assisting to accomplish that task in these difficult times.

Mr. Baker, your appointment means much to those of us here in Tennessee. We know you will do our Volunteer State proud. If there is anything that we can do to help your efforts either as a group or myself individually, please let us know. You have our best wishes and prayers for your success. Serve our President and Nation well.

Dear Senator Baker,

I have followed, with great affection,
your career, for many, many years since
your election to the U.S. Senate, and
it has been my greatest hope that
you will, someday, lead our great Party
as its President.

We are deeply saddened that you
will withdraw from the race for the
Presidency. But we want to send you
our profound thanks for the sacrifice
you have made today. Perhaps, in some
way, this will prove to be the finest
way you can serve your country.

We send you our congratulations
and our very best wishes. You

MRS. WILLIAM B. BURRY

Are a very great credit to your
country, as well as to your wife.
The courage with which you and she
faced the Russes with your honesty
some years ago is a memory I will
never forget.

Our best wishes to your wife,
for her sacrifice is also profound.

You are our hope for the
future. Please serve our President
well. We are behind you all the
way.

Very sincerely,
Molly Morgan Burry -
